Delts Entertain  Eight Presidents at Annual Dinner

The annual dinner given by Delta Tau Delta for the presidents of the eight chartering colleges was last weekend at the home of Mr. and Mrs. John Scharff, Detroit, social chairman of the event.

The purpose of the dinner was to make a living institution.

Sam Snow, who has been on the wane consistently for some time.

And now one of the most priceless of Briton traditions is falling which has been on the wane consistently for some time.

We all tend to overlook the fact that merely by being part of body of tradition which has made Albion great.

So many can scoff at any suggestion of the value of school traditions but remember that it takes more than people and the buildings to make a living institution.

Mount Union, Akron, Oberlin, Wooster, Ashland, Findlay State.

Coach Walter B. Spry and his team of basketball players will highlight their holiday recess with a five-game varsity basketball tour through Ohio. This is the third successive season that the team has left for a vacation, and the past tour has moved into the fast company of the Ohio schools. The team will take only one practice vacation but unlike the past two seasons the locales will be favorites in most cases.

The tour will open on Saturday, Dec. 18, when the Britons visit Alli-

Christmas Concert
(Continued from Page 1)

The group of five Christmas works selected by Mr. Driehaus for the Madrigal Singers' contribution to the community concert is as follows: "In the Name of the Father, and of the Son, and of the Holy Ghost," by Conrad Noel; a sixteenth century English madrigal, "I Am One Lord in Eternity," by Anonymous; "O Luce di Speme," by Palestrina and "Joyful Noise," and finally the English madrigal "God Rest Ye Merry Men," by Bythnias.

Mr. Grandvala's playing, prudence and choice at the keyboards were noted during the concert. He is expert in expressing each mood with a virtuoso manner. The afternoon's program will be a new thing for the Britons. A complete and well-balanced program has been arranged. It will consist of a number of sentimental songs followed by a series of the most popular songs of the season. The program will close with Mr. Grandvala's rendition of "The Christmas Carol," by J. S. Bach. A new feature will be the introduction of new Christmas carols which will be presented by the Madrigal Singers. The concert will be played in the auditorium of the Student Union. The concert is scheduled for December 18th, at three o'clock. The admission is 25 cents.

The Madrigal Singers are the finest, large musical group in the community. They are well known for their fine singing and for their outstanding musical ability. The group is composed of a nucleus of about 20 members and additional members are added from time to time as the need arises.

The Madrigal Singers' repertoire includes many fine madrigals and also includes many outstanding choral works. They are known throughout the state for their fine musical ability and their fine singing.
